## Experience

**Three Tree Creative LLC** | Maui, HI

**Co-Founder** | 2018-Present

Generate media for projects from end-to-end: sound design; film scoring; and shooting photos and video from land, air, and water.

**Blue Motion Pictures** | Maui, HI

**Underwater Cinematographer** | 2015-Present

Create mesmerizing underwater videos in the clear blue waters of Hawaii.

**HI Focused Cinematography** | Maui, HI

**Editor/2nd Shooter** | 2015-Present

Set up cameras, microphones and lights. Shoot multi-camera events: weddings, corporate events, music videos; shoot b-roll and establishing shots; assist 1st shooter, transport/organize gear. Edit films to be visually stunning and emotionally moving.

**Pacific Whale Foundation (PWF)** | Ma'alaea, HI

**Staff Coordinator** | 2014-2015

Evolved the Molokini Wildside into a snorkel anywhere, 2-6 dive adventure focusing on guest interaction, freediving and creating the best days ever. Manage and maintain the Ocean Explorer (54' Power Catamaran).

**Marine Naturalist** | 2011-2015

Guide guests on whale watching and snorkel excursions in Maui County with the goal of inspiring life-long love and respect for the world's oceans.

**Georgia Sea Turtle Center (GSTC)** | Jekyll Island, GA

**Americorps Education Member** | 2010-2011

Created a series of videos for use with hearing impaired students/guests that described the 5 species of sea turtles found in Georgia and their adaptations for life in a marine environment. Produced "Scute's Ocean Adventure" (video puppet show) for use at Sea Turtle Camp in Nevis, West Indies. Designed the GSTC's distance learning program; streaming live, interactive video into classrooms remotely.

**Conservation International** | Arlington, VA

**Marine Flagship Species Intern** | 2009-2010

Created videos for TurtleVision, Projeto Tomar, Ocean Revolution and Mr. Leatherback demonstrating the excitement and dedication of conservationists working to save the world's sea turtles. Researched media for inclusion in the annual SWoT Report Magazine.

## Projects
